BIG DAMAGES ASKED OF DRIVER OF CAR KILLING MR. DWYER

Administratrix of John Dwyer's Estate Sues Arthur N. Glascock for Ten Thousand Dollars Damages in Local Court.

It became known Friday afternoon that on August 4th there was filed in the local circuit court a suit by Mrs. Margaret Dwyer, administratrix of the estate of the late John Dwyer, against Arthur N. Glascock, of Fleming county, asking judgment for ten thousand dollars as damages for the death of Mr. Dwyer.

The public announcement of the suit came with the service by the sheriff of the papers in the suit against Mr. Glascock, who was in Maysville on business Friday.

In her petition the plaintiff states that on the 30th day of May 1921, while the decedent, John Dwyer, was upon the Maysville and Bracken turnpike road near Moransburg in this county, the defendant Arthur N. Glascock, carelessly, negligently and unlawfully drove his automobile against and upon the decedent who was there by thrown violently down to and upon the pike and thereby greatly injured and from the effects and as a result thereof, he shortly thereafter died.

The petition further charges that the defendant was driving his auto in a grossly careless and negligent manner and at a high and dangerous rate of speed and that the death of John Dwyer was caused by his gross carelessness and negligence. They ask judgment for ten thousand dollars and costs and all proper relief.

Sam Middleman has opened the old Hunsicker Coal Yard at East Second and Union streets, selling strictly the famous Black Betsy Lump Coal, mined on the Kanawha River. This coal is well known for its quality. He is in position to make deliveries by truck to points within a radius of ten to fifteen miles of Maysville at a reasonable charge per bushel. When you purchase coal from Mr. Middleman you get the straight Black Betsy coal and in no case mixed with cheap, inferior grades of low quality. Phone No. 496. 26Aug-17

NIGHT FAIR PROVING VERY POPULAR THIS YEAR

Germantown's First Experience With a Night Fair Proves Its Popularity With the People.

Thursday night the managers of the Germantown Fair had their first experience with a night fair and it has proven most popular with the public. The committee sold many more admissions than they had expected and the financial side of the project is quite encouraging.

The program for the night was very interesting and especially the float display. All of the entries were very beautiful. The Stein Orchestra, of Augusta, composed entirely of youngsters, won the first prize as the most beautiful float, while Mike Brown won second prize with a beautifully decorated automobile. The Adina Farms float brought many compliments as did all the others in the ring.

The driving of Mr. James Brannon who handled a six horse team with all ease, turning them in most every direction by one command and a jerk of the lines, was one of the big features of the evening. The night fair will be continued Friday night and another big program has been arranged.

MAYSVILLE TO HAVE BRANCH OF FEDERAL FARM LOAN BANK

Mr. H. W. Cole Will Be Local Representative of Kentucky Branch of The Federal Farm Loan Banking System.

Through a special arrangement just completed Mason county is to have a branch of the Kentucky Farm Loan Bank at Louisville and operations will begin immediately in the interest of farmers throughout this section of the state who desire to borrow money on their farms by long time loans.

Mr. H. W. Cole, of this city, has been authorized by the officials of the Louisville branch bank as their local representative and has been furnished with all of the necessary equipment to begin work. Mr. Cole returned Friday from Louisville where he has been attending the State Bankers' Convention and while there was in conference with the officials of the Louisville branch and became thoroughly acquainted with the workings of the system.

Loans made through this Federal system are usually for a very long period, most generally for a period of 32 years with interest at the rate of six per cent. It is understood, however, that the minimum length of the loan which has previously been five years, has been reduced to a shorter period.

Announcements were recently made that the Kentucky branch of the bank would be allotted twelve million dollars for loans and it is more than likely that certain farmers throughout this section would like to have a part in the distribution of this amount. Those who are interested should see Mr. H. W. Cole or make inquiry at the Farmers & Traders bank.

SUIT BROUGHT TO FORECLOSE MORTGAGE.

The Peoples Building Association brought suit in the Mason Circuit Court Friday afternoon against Annie Green and John Green, her husband, asking foreclosure on a mortgage on a certain piece of residence property in Fourth street securing a note said to be unpaid. The plaintiff prays a sale of the property to satisfy the mortgage debt.

WOMAN FOUND INSANE HERE DIES AT ASYLUM.

Mrs. Jake Williams, of Germantown, who was committed to the Eastern Kentucky asylum at Lexington two weeks ago on a lunacy charge, died in that institution Monday night, August 22, the body being brought here for burial. Deceased was 50 years old and was twice married. She was Miss Ollie Berry and married Mr. Owens, after which she became the wife of Mr. Williams. Her husband and three children survive. Burial will be in the K. of P. cemetery at Germantown Friday at 2.

WOUNDED BOY IMPROVING.

The Augusta Chronicle says: John Wenz, accidentally shot by a companion while squirrel hunting one day last week, is doing nicely. John had killed a ground hog and was laying on the ground, under a large tree, watching for a squirrel, with the dead ground hog on the ground close to him. One of his companions saw the animal and thought it was alive, and shot, not knowing that Mr. Wenz was near. The load of shot entered Mr. Wenz's knee, making a most painful injury.

MCHENRY CONVICTED BY A MIXED JURY

Man Arrested Here On Charge of Beating Manchester Marshal Convicted by Jury of Men and Women.

Manchester, Ohio, August 26. — The second trial of Ern McHenry charged with beating up Marshal Sowers, May 11, held before Judge Stephenson and jury Monday and Tuesday.

Attorney Shiveley for McHenry and Prosecutor Holderness assisted by Blair and Robuck vigorously contended for points in evidence and law. There were 46 witnesses all from Manchester.

The three women members of the jury behaved like gentlemen and a verdict of assault and battery was returned after thirty minutes deliberation. The court has not yet passed sentence. Court costs aside from attorneys fees will be between three and four hundred dollars.

This is the jury: Maggie Thomas, Frank Weaver, Lizzie McGowen, Lewis Haas, W. O. Shields, Leeds McCall, J. H. Eyre, J. J. Cross, Maude Washburn, Eliza Crawford, Wm. Holt and Harrison Musser.

EUGENICS BILL MAY BE OFFERED AT THE NEXT LEGISLATURE

Physicians Suggest That Physical Examination Be Required of Those Seeking Marriage License in Kentucky.

Louisville, Ky., August 25.—A number of Louisville physicians and others from other points in Kentucky will attempt to have the Legislature, which convenes in January, enact a law making it compulsory upon applicants for marriage licenses to undergo a physical examination. Many doctors believe that such a law, if rigidly and properly enforced, would be of tremendous value to future generations.

Dr. Ellis Owen, city health officer, said today that he was an enthusiastic believer in a law to make marriage applicants submit to physical examinations.

"Such a law, like all others," he said, "would not be without its dangers. The first essential would be to have the proper physicians serving upon the examining commissions in the various counties.

LOCAL WOMAN ARRESTED ON CHARGE OF BIGAMY

Maysville Woman With Two Living Husbands Is Arrested in Cincinnati and Must Face Bigamy Charge.

Chief of Police Harry A. Ott returned from Cincinnati Thursday having in custody Mrs. Cora Collier Fultz who was arrested at the request of the local officers in the Queen City on a charge of bigamy.

The young woman, who before her marriage was Miss Cora Vermillion, was married in this city in 1915 to Richard Collier, who shortly after the marriage is said to have deserted the woman and left Maysville. On July 13th last she was again married in Flemingsburg to William H. Fultz, one-armed musician, who attracted much attention here by his music on the street.

Fultz charges that his wife deserted him some time ago and went to Cincinnati. He has learned that she was previously married and that her husband is living and not divorced.

ADAMS COUNTIAN ATTEMPTS SUICIDE BY CUTTING THROAT

Prominent Land Owner of Brush Creek Neighborhood Slashed Throat With Razor — Alimony Suit Had Been Filed.

Word from Manchester, Ohio, Friday morning is to the effect that Drennen McKenzie prominent land owner of the Brush Creek section of Adams county, made an attempt to take his own life early Saturday morning at his home. He was found with his throat badly slashed with a razor.

The only possible cause for the rash act known by neighbors and friends is domestic infelicity. A short time ago his wife, who before her marriage was Miss Lucile Thurman, well known in Maysville, filed a suit for alimony. This, however, was thought adjusted by neighbors.

Mr. McKenzie is a very prominent farmer and is said to be quite wealthy owning several hundred acres of the best land in Adams county.
